Application Agreement & Guardian's Declaration:

I wish to apply for a fee-free scholarship for my child in the *Creative Dragons After School Creative Writing Program* for the school term July-September, 2016. If successful, my child is aware they will be required to assist with general duties during classes, which includes but is not limited to handing out exercises. I am aware that a maximum of one scholarship will be offered per location per term, and that the tutor's decision is final – no further correspondence will be entered into. I am also aware that a scholarship awarded this term does not entitle my child to future scholarships, and that any chosen recipient who misses class risks losing their scholarship. Classes will only proceed if minimum enrolments are met.
